Wednesday's 2021

This is proving to be popular please let us know if you would like to extend your Wednesday to 1pm.

Tapestry

Look out for Activities and Memos, especially if your child is not attending at the moment. We love seeing what you are doing at home and when you share your observations it allows the keyperson to add the learning outcomes within the Early Years Foundation Stage. This all helps with end of year assessments.

Internet Safety

Lots of children are now accessing age appropriate apps for recreation and education. Part of our safeguarding training includes helping children understand how to stay safe online. There is a wealth of information for parents and families on how to keep children safe whilst using these programmes.

More information and guidance can be found on Tapestry in the 'Documents Tab'.

Illness

Please remember to leave at least 48 hours after the last bout of sickness or diarrhoea.

With regard to illness related to COVID19 we will always refer to the most recent guidelines for Early Years and Childcare. We endeavour to keep you informed of all developments.

Winter Weather

On occasion the green gate entrance becomes flooded. You will be notified by text or Facebook if we need to use the school entrance in the churchyard. Please refer to recent memo on Tapestry titled 'Wet Weather'.

Everyday things to know

TAPESTRY

Tapestry is our main source of communication.

Memos and Activities are now assessable through the updated app. This on line assessment tool is exciting and interactive, partnership with parents at its best. Add photos from home to share with us. 'Hitting' the like button tells us you have seen an observation.

Remember to check documents and memos for latest information.

Filling in the 'About Me' section is a fantastic way to share information about your child with their key person.
