TAPESTRY

Memos and Activities are accessible through the updated app. This on line assessment tool is exciting and interactive, partnership with parents at its best. Add photos from home to share with us. 'Hitting' the like button tells us you have seen an observation or memo.

Remember to check documents and memos for the latest information.

Filling in the 'About Me' section is a fantastic way to share information about your child with their key person.

Lunch Boxes & Drink Bottles (Please name both especially drinks bottles)

It has been highlighted that whole grapes and cherry tomatoes are a choking hazard. Please cut these length ways to eliminate the risk. Do not include any nuts, this includes peanut butter and Nutella chocolate spread. Please beware we do have a child on the register with a nut allergy.

Lunch boxes are not refrigerated, please bear this in mind in hot weather. A frozen ice block is recommended.

Remember to include cutlery (if needed) in the lunch box too. Thank you.
